

## Depth of Study Requirements As of Spring 2010

### Sociology

THIS IS NOT THE SAME AS A SPECIAL FIELD. THIS IS FOR STUDENTS FOLLOWING THE CATALOG STARTING IN FALL 2004)

**\*Total of courses above must be at least 11 units!**

**Required Sociology of Education Course\*\*:**

SOC 413 4 units

\*\* A child and youth development course and at least one family and social dynamics course must be completed prior to enrolling in SOC 413.

Total Required: **minimum of 15 units**

Note on Transferring in Approved Equivalent Courses

See University Catalog for course descriptions and prerequisite information. **Approved** equivalents of lower-division courses may be completed at community colleges or other regionally accredited institutions. Go to [www.assist.org](http://www.assist.org) to find equivalents to the lower-division courses at CA Community Colleges. Any courses not listed on Assist must be approved by faculty in the department offering the course. A maximum of seventy (70) semester units earned in a community college may be applied toward the degree.

Note on Upper-Division Units Required for Graduation:

Students need at least 40 upper-division units of coursework to graduate from CSUSM. Students are responsible for taking sufficient upper-division units to graduate. Because this depth of study module allows lower-division coursework, students **MUST** carefully choose other required courses and electives to insure 40 upper-division units are completed for graduation.

Note on pursuing a minor in Sociology:

Depth of Study courses may be counted toward a minor, but the requirements are not identical. Additional coursework is required to complete the minor. See the current University Catalog for minor requirements. An official minor declaration must be submitted to Enrollment Services.
