

## GRAD E699 Enrollment Form

**GRAD E699 -- Graduate Standing Continuation.** Provides continuation of graduate standing for students finalizing culminating activities (thesis, project, or comprehensive exam).

GRAD E699 carries zero credit units, has no instructor of record, and is "graded" CR automatically upon completion of the term. It is designed to confer enrollment status for the purpose of the continuous enrollment policy. The course may not be repeated.

**GRAD E699 Criteria for Enrollment:** GRAD E699 is designed for Master's students who have completed all of their graduate coursework, including the for-credit supervised thesis/project coursework called for in their respective graduate programs. Students who are still working closely with an advisor should enroll in their respective department's graduate-level independent study course, rather than GRAD E699.
