Sites:
Click on search by site to see if you have any pre-selected sites that have been chosen by your instructor or to browse through all of our service learning sites.

Sites:
Pre-selected sites will have a green box that says "Suggested Site" next to the site name.

If you don't have any pre-selected sites you can search by: site name, city, organization type, keyword
How to Apply: Organizations may require you to interview before making a service learning offer. Contact the “main contact” listed in the database or visit the organization’s website for additional application information. Apply to a minimum of 3 organizations or opportunities.

For additional information in creating a resume, cover letter, or general application assistance, visit the Career Center at Craven Hall 1400.
A Step Beyond

About Us
A Step Beyond (ASB) is a non-profit organization located at California Center for the Arts, Escondido. A Step Beyond is a creative after-school youth development program that works with low income, high risk students through dance, academics, and family services support for the purpose of helping participants realize their full potential in every aspect of their lives, and breaking the cycle of poverty. ASB provides students with the full range of their talents, including academic, athletic, independent, and leadership achievement, with the goal that all participants will graduate from high school and matriculate to a four-year university or other higher education training program.
