Final exams are viewable by Faculty in their MyCSUSM Faculty Center once they are assigned to classes. See screenshot at left.

Students are able to view their finals in their MyCSUSM Student Center.

Fall Final Exams go from Monday to Saturday of finals week – see the appropriate [Academic Calendar](#) for Finals Dates.

Final exam times will no longer be available in a digital document format. Please view finals in your MyCSUSM or 25Live. Final times will show for Faculty before continuing student registration starts.

TIME BLOCKS FOR FINAL EXAMS

A two-hour examination period has been scheduled for each class. Finals are scheduled in same classroom as the section meets during semester. 11:30 AM - 01:30 PM
01:45 PM - 03:45 PM

CHANGING FINAL EXAM

The [Finals Change by Faculty Request Form](#) may be completed to change final exam day, time, or location – a change or addition of a final exam time must be approved by the Dean of the College under which the course is taught and a survey of the students should be done to make sure they do not have conflicting finals. If you are requesting a time change, please copy and paste the email approval from your Dean’s Office in the comments box on the form. **If you will not have a final time in-person** during your final time, please fill out the [Finals Change by Faculty Request Form](#), a confirmation from the dean is NOT required, and select the “No In-Class Final (i.e. final paper/project instead of exam)” for type of change requested. This will then be displayed in both your own and your students MyCSUSM.
