

**Endorsement of California State University Bakersfield Academic Senate Resolution
2012-13 RES001 on Transparency in the Search for the Chancellor**

RESOLVED, That the Academic Senate of California State University San Marcos endorse the resolution of the Academic Senate of California State University Bakersfield, 2012-13 RES001, Transparency in the Search for the Chancellor; and be it further

RESOLVED, That this resolution be sent to the CSU Board of Trustees, the Chancellor, Campus Presidents, the Academic Senate CSU, Campus Academic Senates, the California State Student Association, and the Associated Students Inc. of CSUSM.

RATIONALE:

An open and transparent search process is critical in this time when public trust in the California State University system is at a very low point. Faculty, staff, students, and administrators will need to work together to persuade our legislative leaders and the population of the state to restore both support of and trust in the system. A closed-door hiring process that does not generate faculty, staff, and student buy-in for a new chancellor will severely limit the ability of the new chancellor to bring all parties together to work toward common goals.
