I further understand and agree that my registration and acceptance of these terms constitutes a promissory note agreement (i.e., a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8)) in which California State University San Marcos is providing me educational services, deferring some or all of my payment obligation for those services, and I promise to pay for all assessed tuition, fees, and other associated costs by the published or assigned due date.

I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all, or a portion of, tuition and fees in accordance with the published tuition refund schedule at <http://www.csusm.edu/sfs/policyinfo.html#refunds>.

I have read the terms and conditions of the published tuition refund schedule and understand those terms are incorporated herein by reference. I further understand that my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

FINANCIAL AID

I understand that if I am a recipient of financial aid (grants, loans, scholarships, and/or employment), I must adhere to federal, state, and institutional policy (http://www.csusm.edu/finaid/documents/2017/fa_termsandconditions_2017.pdf). I understand that any outside resources such as scholarships, stipends, service awards, contract payments, exemptions, or any other payment received from an outside agency may affect my financial aid award. I am responsible for notifying the CSUSM Financial Aid Office if I receive funds before or after receiving financial aid.

Cal Grant awardees may elect to receive the full disbursement of their 'Access' (aka 'Books and Supplies') awards to use towards educational expenses instead of having it applied to any outstanding balances on the student's account. By choosing this option, Cal Grant awardees are responsible for resolving any account balances with their institution. Cal Grant awardees have the ability to rescind the selected option at any time (up to disbursement). Please see your financial aid office for more information.

If some, or all, of my financial aid is revoked because I dropped or failed to attend class, I agree to repay all aid that was disbursed to my account and resulted in a credit balance that was refunded to me.

REFUND POLICY AND DIRECT DEPOSIT ENROLLMENT

By accepting this agreement, I acknowledge and agree to abide by the CSUSM refund policy. In the event of withdrawal from classes or cancellation of enrollment, any applicable refunds will be processed according to the institution's policies. Credit balances may appear on a student's account due to excess financial aid awards, scholarships, account adjustments, or overpayments. To receive a refund, you must log in MyCSUSM and enroll in eRefund from your Student Center. Enrollment in eRefund ensures that funds can be disbursed quickly, securely, and directly into my designated bank account. This eliminates delays associated with paper checks and offers greater convenience.

I understand that failure to enroll in eRefund may result in delays in receiving refunds, as paper checks may take additional processing time and are subject to mail delivery times. It is my responsibility to ensure that my eRefund information is accurate and up-to-date to facilitate timely disbursement of refunds.

I hereby authorize CSUSM to deposit any owed refunds directly into the bank account I provide for eRefund. I understand that I can update my eRefund information at any time through the student portal (MyCSUSM).

In the event the adjustments to my student account after a refund has been processed and sent to me resulting in me owing money back to the university, I promise to return the funds back to the university and acknowledge that I may incur a financial hold if those fund are not returned a timely manner.

SPONSOR AGENCY BILLING

If my sponsor and I choose to participate in CSUSM agency billing (third party billing), whereby my sponsor authorizes CSUSM to bill my sponsor for tuition, fees, and/or any other fees assessed to my student account, I understand and agree to the following statements:

The relationship between agency billing and my sponsor involves billing and payment matters only; I am responsible for providing any other information my sponsor requires such as financial aid information and grades.

Sponsor payments may reduce my eligibility for other need-based financial aid.

If I receive a student account credit balance refund due to my sponsor's authorization, and my sponsor fails to remit full payment of the sponsor billed amount, I am responsible for returning to CSUSM the credit balance refund I received.

I am responsible for paying in full by the due date stipulated on my student account, all charges not authorized by my sponsor for agency billing.

If my sponsor fails to pay by the invoiced dates provided by CSUSM agency billing, I am responsible for remitting payment in full.

My or my sponsor's failure to remit payment in full by the due date will result in collection measures stated in the Delinquent Account/Collections section of this agreement.

PRIZES, AWARDS, SCHOLARSHIPS AND GRANTS

I understand that in certain situations, monetary prizes, awards, scholarships and grants awarded to me by California State University San Marcos may be credited to my student account and applied toward any outstanding balance. I further understand that my receipt of a monetary prize, award, scholarship or grant may be considered a financial resource according to federal or state financial aid regulations, and may therefore reduce my eligibility for other federal and/or state financial aid (i.e., loans, grants, Federal Work Study) which, if already disbursed to my student account, must be reversed and returned to the aid source.

METHOD OF BILLING

I understand that California State University San Marcos uses electronic notification of outstanding debts and due dates as its official billing method, and therefore I am responsible for viewing and paying outstanding debts by their scheduled due date. I further understand that failure to review my account and due dates does not constitute a valid reason for not paying my debts on time.

BILLING ERRORS

I understand that administrative, clerical or technical billing errors do not absolve me of my financial responsibility to pay the correct

amount of tuition, fees and other associated financial obligations assessed as a result of my registration at California State University San Marcos.

RETURNED PAYMENTS/FAILED PAYMENT AGREEMENTS

If a payment made to my student account is returned by the bank for any reason, I agree to repay the original amount of the payment

plus a dishonored payment fee of \$20. I understand that multiple returned payments and/or failure to comply with the terms of any payment plan or agreement I sign with California State University San Marcos may result in cancellation of my classes and/or suspension of my eligibility to register for future classes at California State University San Marcos.
