ACADEMIC INTERVENTION

If your academics are negatively impacted due to a recent or past trauma, we can assist you with initiating an academic intervention with your professors and/or the University.

REFERRALS & RESOURCES

We can provide resources and referrals for safety planning, housing, concerned loved ones, on- and off-campus resources, reporting options, and support groups.

*"WE PROVIDE
TRAUMA-INFORMED,
CONFIDENTIAL SUPPORT,
ADVOCACY, PREVENTION,
AND EDUCATION RELATED
TO GENDER-BASED
VIOLENCE."*

Prevention & Education

We offer a variety of innovative initiatives to educate and build awareness on complex issues related to stalking, sexual harassment, dating/domestic violence, sexual assault and rape.

Through training and education, students, faculty, and staff learn how they can prevent sexual violence and promote bystander intervention.

We are committed to ending all forms of violence and continuing to work towards dismantling systems of oppression within our community.
