PROHIBITION ON REDISCLOSURE: Alcohol and Drug Abuse information has been disclosed to you from records whose confidentiality is protected by federal law. Federal regulations (42 CFR Part 2) prohibits you from making any further disclosure of it without specific written consent of the person to whom it pertains, or as otherwise permitted by such regulations. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The federal rules any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
