

Powered Cart Safety Notice

**No Phones
Use Seatbelts
Slow Speed**

Powered Carts on campus create hazards for drivers, passengers, and pedestrians when not used safely.

CSUSM powered cart driving practices:

- **No phone usage is permitted while vehicles are in motion**
 - this includes voice, text, and any other manipulation (ex. music adjustments)
 - carts shall be parked in a safe manner prior to using a phone
 - ear buds/head phones must be worn in a manner that does not interfere with driver hearing
- **Drivers and passengers shall utilize seatbelts if installed in the cart**
- **Passengers are limited to the number of seats available in the cart**
- **Drivers shall follow all campus speed limits**
 - 5 mph unless posted otherwise (this includes plaza areas)
 - **when on sidewalks, narrow routes, or areas of high pedestrian congestion, the speed shall be that of the slowest pedestrian**
- **Carts shall yield to pedestrians at all times**
- **Carts shall be parked away from entrances to allow easy (unobstructed) access to buildings**

Drivers in violation of these safety practices are subject to revocation of their driving privileges.
