THE FOLLOWING MEASURES ARE IN PLACE TO PROTECT OUR CAMPUS COMMUNITY:

- University employees complete a self-screening tool before reporting to work. The Campus Community is advised to stay home if they are sick or required to stay home if they have any COVID-19 related symptoms.

- All members of the campus community are required to use a face covering, practice physical distancing and good hand hygiene.

- Common areas, particularly busy locations such as in-use classrooms, restrooms, and high traffic areas, are frequently cleaned and disinfected.

- Sanitizer stations have been placed in common areas and all-around campus.

- Physical distancing reminders are posted throughout the campus including the use of signage, distancing markers and extra space has been provided between classroom seating.

- Signage reminding the campus community of safety precautions recommended by the Center for Disease Control, State of California and County of San Diego is posted throughout the University.
