## **RULE OF LAW**

### **Facts that may lead to a guilty verdict**

1. David always gets into trouble.
2. They found the stickers in David's desk.
3. The girl who gave the teacher the stickers (Susie) said David took them.
4. The teacher said David had a bad day and always gets in trouble.
5. David was messing around in the courtroom.

### **Facts that may lead to a not guilty verdict**

1. David said he didn't like "girl's" stickers and it's not his fault.
2. Susie was by his desk holding the stickers so she might have put them in his desk herself.
3. No one saw David do it.
4. Susie said she didn't like David so she probably wanted him to get in trouble!
5. The stickers were missing after Susie was seen with them

### **Our Questions:**

- We need to know if Susie had the stickers in her hand when she walked away from David's desk.
- Susie "never gets in trouble" so she thought everyone would believe her and think it was David because he always gets in trouble.
