Quality Criteria	Absolutely!	Almost!	Not Yet
Effective group collaboration with poster clearly defines the structure, function and power of the federal and state governments.			
Student supports opinion when collaborating, with accurate reasons that explain effective methods for applying government powers and functions to a current challenge in society.			
Poster is organized, is visually appealing, and thorough in content. (See handout)			
Students effectively and with specific details, verbally compare challenges faced during the Gold Rush with challenges faced today.
