

PATHWAYS

Dip your toe in leadership with these three al la carte options:

LEADERSHIP & LATTES

Friday mornings 10:30am-10:50am for inspirational conversation based on a short video or TedTalk. All CSUSM community members are welcome. This event also counts toward .5 of a leadership workshop for TLC or MIL students.

WOMEN'S LEADERSHIP SYMPOSIUM

A forum for participants within the CSUSM community to connect, explore and engage in topics pertaining to women's leadership and empowerment. Program occurs in Spring and counts toward TLC campus engagement or MIL events.

M:POWR TUESDAYS

Weekly civic engagement project where you connect with peers and friends from Mountain Shadows, a local non-profit that supports people with intellectual disabilities. Open to all CSUSM community members and counts for TLC civic engagement or MIL volunteer hours. This project began in Spring 2013 and allows TLC/MIL students to paint murals, drum, and bond with participants from Mountain Shadows - a local non-profit that supports individuals with intellectual disabilities. Students can join us on Tuesdays or can connect with clients individually through Zoom calls, pen pals, or video blogs! All TLC and MIL students who complete at least 7 hours in conjunction with their leadership certificate will earn a UNESCO certificate.

OR students can complete one of our campus's two leadership certificates and also earn a UNESCO certificate while you're at it!

TLC LEADERSHIP FOUNDATION CERTIFICATE

Tukwut Leadership Circle (TLC) is designed to support your leadership, interpersonal, career, and professional development through weekly workshops and campus & civic engagement.

***Planning to join or already a member of a CSUSM student org? Those meetings and events will count toward your TLC campus engagement requirement!*

TLC MULTICULTURAL INTELLIGENCE & LEADERSHIP CERTIFICATE

In collaboration with the Cross-Cultural Center, the TLC's "Multicultural Intelligence & Leadership Certificate" (MIL) demonstrates our campus' value of diversity. MIL students engage with CSUSM's social identity centers, volunteer off-campus or with our M:POWR project, and refine their leadership style through introspection and professional development.

UNESCO

Pursue a United Nations Educational Science and Cultural Organization (UNESCO) certificate each semester that you are enrolled in either the TLC Foundations certificate or the TLC Multicultural Intelligence & Leadership Certificate. Hence, students can earn up to 2 certificates per semester (TLC + UNESCO or MIL + UNESCO)!
