CSUSM Policies on Holidays & Campus Closures:

CSUSM Campus Open

When an agency is closed for a holiday and CSUSM Campus is open for this holiday, e.g. Columbus Day, President’s Day, etc. and the student has scheduled internship hours on the day the agency is closed, the student is responsible for making-up those hours (sometime before the end of the semester) to meet the required minimum practicum hours in the Field Education course for that semester.

CSUSM Campus Closed

When CSUSM campus is closed, the student shall not conduct internship hours on that day (even if the agency is open), e.g., Veteran’s Day, Thanksgiving Holiday, Friday after Thanksgiving Holiday, & Winter break. Students are not required to make up holiday hours observed by the University.

IMPORTANT NOTE: Students may not be at the Field agency when campus is closed during any holiday, as students not covered by the University’s liability insurance when the campus is closed.
