

MMSN Internship Lesson Planning and Delivery Observation Form

Intern: _____ **Date:** _____
School Site: _____ **Setting:** _____
Supervisor: _____

MMSN TPE 1: Engaging and Supporting All Students in Learning

____ 1.1 Demonstrate the ability to collaboratively develop and implement Individualized Education Programs (IEP), including instructional goals that ensure access to the Common Core State Standards and California that lead to effective inclusion of students with disabilities in the general education core curriculum.

____ 1.4 TC monitors student progress toward learning goals as identified in the academic content standards and the IEP/Individual Transition plan (ITP).

____ 1.7 Use strategies to support positive psychosocial development and self-determined behavior of students with disabilities. (U1.1)

Comments:

MMSN TPE 2: Creating and Maintaining Effective Environments for Student Learning

____ 2.1 Develop accommodations and modifications specific to students with disabilities to allow access to learning environments, to optimize the learning opportunities and outcomes for all students, and to move them toward effective inclusion in general education settings environments.

____ 2.2 Demonstrate the ability to support the movement, mobility, sensory and specialized health care required for students to participate fully in classrooms, schools and the community. Organize a safe environment for all students that include barrier free space for independent mobility, adequate storage and operation of medical equipment (as appropriate) and other mobility and sensory accommodations. (U2.3)

____ 2.4 Collaborate with families and appropriate related services personnel to support access to, and optimal learning experiences for, students with mild to moderate support needs in a wide variety of general education and specialized academic instructional settings, included but not limited to the home, natural environments, educational settings in hospitals and treatment centers, and classroom or itinerant instructional delivery and/or consultation in public/nonpublic school programs.

____ 2.5 Demonstrate knowledge of the communicative intent of students' behavior as well as the ability to help students develop positive communication skills and systems to replace negative behavior.

____ 2.6 Demonstrate the ability to identify if a student's behavior is a manifestation of his or her disability and to develop positive behavior intervention plans inclusive of the types of interventions and multi-tiered systems of supports that may be needed to address these behavior issues.

____ 2.7 Understand and access in a collaborative manner with other agency professionals the variety of interventions, related services and additional supports, including site-based and community resources and agencies, to provide integrated support for students with behavior, social, emotional, trauma, and/or mental health needs. (U2.4)

____ 2.8 Apply and collaboratively implement supports needed to establish and maintain student success in the least restrictive environment, according to students' unique needs.

____ 2.9 Demonstrate the skills required to ensure that interventions and/or instructional environments are appropriate to the student's chronological age, developmental levels, and disability-specific needs, including community-based instructional environments. (U2.5)

____ 2.10 Implement systems to assess, plan, and provide academic and social skills instruction to support positive behavior in all students, including students who present complex social communication, behavioral and emotional needs

Comments:

MMSN TPE 3: Understanding and Organizing Subject Matter for Student Learning

____ 3.1 Adapt modify, accommodate and differentiate the instruction for students with identified disabilities to enable development of appropriate goals and accommodations and facilitate access to the Least Restrictive Environment (LRE).

Comments:

MMSN TPE 4: Planning Instruction and Designing Learning Experiences for all Students (Check observed, add others as seen)

____ 4.2 Demonstrate the ability to use evidenced-based high leverage practices with a range of student needs, and evaluate a variety of pedagogical approaches to instruction, including instructional sequences, unit and lesson plans, in order to provide students with disabilities equitable access to the content and experiences aligned with the state-adopted core curriculum.

____ 4.3 Demonstrate the ability to identify and use behaviorally based teaching strategies with the understanding that behaviors are communicative and serve a function.

____ 4.4 Demonstrate the ability to create short and long-term goals that are responsive to the unique needs of the student and meet the grade level requirements of the core curriculum, that are systematically adjusted as needed to promote maximum learning and academic achievement within inclusive environments.

____ 4.6 Coordinate, collaborate, co-teach and communicate effectively with other service providers, including paraprofessionals, general education teachers, parents, students, and community agencies for instructional planning and planning for successful student transitions.

Comments:

MMSN TPE 5: Assessing Student Learning

____ 5.1 Apply knowledge of the purposes, characteristics, and appropriate uses of different types of assessments used to determine special education eligibility, progress monitoring, and decision-making regarding eligibility, placement in LRE, and services. Candidates also apply knowledge of when and how to use assessment sources that integrate alternative statewide assessments, formative assessments, and formal/informal assessment results as appropriate, based on students' needs. (U5.1/5.2)

____ 5.2 Each candidate utilizes assessment data to: 1) identify effective intervention and support techniques, 2) develop needed augmentative and alternative systems, 3) implement instruction of communication and social skills, 4) create and facilitate opportunities for interaction; 5) develop communication methods to demonstrate student academic knowledge; and 6) address the unique learning, sensory and access needs of students with physical/orthopedic disabilities, other health impairments, and multiple disabilities.

____ 5.3 Demonstrate knowledge of special education law, including the administration and documentation of assessments and how to hold IEP meetings according to the guidelines established by law

____ 5.4 Demonstrate knowledge of requirements for appropriate identification and assessment of students whose cultural, ethnic, gender, or linguistic differences may be misunderstood or misidentified as manifestations of a disability.

____ 5.6 Know how to appropriately administer assessments according to the established protocols for each assessment. Candidates also understand how to implement appropriate accommodations on assessments for students with disabilities that do not fundamentally alter the nature and/or content of what is being tested, and how to use AAC appropriately for facilitating the participation in the assessment of students with complex communication needs.

Comments:

MMSN TPE 6: Developing as a Professional Educator (Check observed, add others as seen)

___ 6.1 Demonstrate the ability to coordinate and collaborate effectively with paraprofessionals and other adults in the classroom.
