Engaging diverse communities through leading and learning for social justice.

SCHOOL OF EDUCATION MISSION & VISION STATEMENT
(Adopted by SOE Governance Community, January 2013)

Vision
To serve the educational needs of local, regional, and global communities, the School of Education advances innovative practice and leadership by generating, embracing, and promoting equitable and creative solutions.

Mission
The mission of the School of Education community is to collaboratively transform education. We:

- Create community through partnerships
- Promote and foster social justice and educational equity
- Advance innovative, student-centered practices
- Inspire reflective teaching and learning
- Conduct purposeful research
- Serve the school, college, university, and community

BASIC TENETS OF OUR CONCEPTUAL FRAMEWORK

- Student-centered education
- Research and theory specific to the program field inform practice
- Connections and links between coursework and application
- Strong engagement between faculty and candidates
- Co-teaching clinical practice
- Culturally responsive pedagogy and socially just outcomes

COURSE DESCRIPTION

Education Specialist — Clinical Practice: Special Education Setting

Observations and teaching in special education settings in selected schools under the supervision of a credentialed special education teacher and university supervisor. Includes participation in a student teaching seminar. May not be taken for credit by students who have received credit for EDMX 562 OR EDMS 571. Prerequisite: Successful completion of program prescribed coursework.

Credit Hour Policy Statement

This Clinical Practice course is comprised of doing fieldwork at either elementary, middle or high school settings, under the supervision of a Cooperating Teacher and a University Supervisor.

- Clinical Practice in the Mild and Moderate areas is comprised of a minimum of 50 days of which 10 days must be full time assuming all of the duties of being a special educator.
- Students are expected to spend a minimum of 7 to 10 hours per week outside of the field experience in preparation to teach students.

CLINICAL PRACTICE STUDENT LEARNING OUTCOMES

The credential candidate will:

- assess and instruct students of various ages (kindergarten to 22 years of age) and cultural/linguistic backgrounds with mild/moderate disabilities (autism spectrum disorders, specific learning disabilities, mild to moderate intellectual disability, emotional disturbance, and other health impairments).
- demonstrate successful performance of the Mild/Moderate Education Specialist Teaching Performance Expectations as assessed using the Cal State San Marcos Mild/Moderate Teaching Performance Expectations Clinical Practice Assessment observation form.

Student learning outcome assessment methods:

Observations by university supervisor and cooperating teacher of clinical performance objectives and the California Commission on Teacher Credentialing (CCTC) Education Specialist Program Standards and Education Specialist Teaching Performance Expectations (ES TPEs).

Completion of an Individualized Transition Development Plan (ITDP) summarizing strengths and continued professional growth regarding the ES TPEs. The ITDP is developed with input from the candidate’s University Supervisor and Cooperating Teacher and is approved and signed by the candidate, the candidate’s university supervisor, and the Education Specialist credential program coordinator or designee.

Teacher Performance Expectation (TPE) Competencies

The course objectives, assignments, and assessments have been aligned with the CTC standards for Mild/Moderate or Moderate/Severe Credentials. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. Teacher Candidates will be required to formally address the following Mild/Moderate TPEs in this course:

Mild/Moderate:

- Specific Pedagogical Skills for Subject Matter Instruction
- Monitoring Student Learning During Instruction
- Use of Assessments, Interpretation and Reporting
- Making Content Accessible
- Student Engagement
- Developmentally Appropriate Teaching Practices
- Teaching English Learners
Expected Dispositions for the Education Profession

Education is a profession that has, at its core, certain dispositional attributes that must be acquired and developed. Teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions that must be evident in teacher candidates: social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and lifelong learning. These dispositions have observable actions that will be assessed throughout the preparation program. For each dispositional element, there are three levels of performance - unacceptable, initial target, and advanced target. The description and rubric for the three levels of performance offer measurable behaviors and examples.

The assessment is designed to provide candidates with ongoing feedback for their growth in professional dispositions and includes a self-assessment by the candidate. The dispositions and rubric are presented, explained and assessed in one or more designated courses in each program as well as in clinical practice. Based upon assessment feedback candidates will compose a reflection that becomes part of the candidate’s Teaching Performance Expectation portfolio. Candidates are expected to meet the level of initial target during the program.

MATERIALS NEEDED FOR CLASS

The appropriate Cal State San Marcos Teaching Performance Expectations Clinical Practice Assessment and Individualized Transition Development Plan observation forms, and enrollment in TaskStream.

TaskStream Enrollment and Postings

The School of Education uses TaskStream to manage candidates’ TPE, clinical practice, signature assignment, and disposition assessments. Candidates must be enrolled in TaskStream throughout the Mild/Moderate and Moderate/Severe Education Specialist program(s). Enrollment fees are paid by going to www.taskstream.com and registering for at least one year. Concurrent candidates and candidates completing both the Mild/Moderate and Moderate/Severe credentials should enroll for at least two years.
SUPERVISION REQUIREMENTS

1. Each candidate engages in a minimum of **50 days** of supervised clinical practicum in one or more school and/or community setting in which students with mild and moderate disabilities are being educated.

2. Each candidate is observed and provides documentation of the clinical experiences described in the TPEs through notations on the **Cal State San Marcos Clinical Practice Assessment Mild/Moderate Teaching Performance Expectations** observation form.

3. Each candidate is formally observed by and meets with a Clinical Practice University Supervisor at least **five times** inclusive of the exit interview to discuss clinical experiences and progress toward meeting Education Specialist Teaching Performance Expectations.

4. Each candidate is observed by the University Supervisor:
   a. delivering formal lessons in a content area (at least 2). For these content lessons, a formal lesson plan using the Clinical Practice Lesson Plan Template (EDMX 572, 671, 672) shall be submitted electronically to the University Supervisor at least 24 hours prior to teaching the lesson.
   b. conducting a formal assessment utilizing a standardized assessment instrument and submitting a comprehensive assessment report to the Cooperating Teacher and University Supervisor.
   c. conducting an IEP meeting (Triennial or Initial preferred)
   d. analyzes a Behavior Intervention Plan (BIP) and explains involvement in its delivery

5. Each candidate meets with the Cooperating Teacher to initially examine and discuss TPE elements and how they could/will be met in clinical practice. Throughout clinical practice, the candidate is expected to collect a portfolio of artifacts (e.g., samples of assessments and assessment reports, lessons, IEP plans) to evidence TPE performance. Further in-depth conversations with the Cooperating Teacher regarding TPEs is prompted by the TPE Weekly Conversations and Planning form located in this syllabus. The candidate meets weekly with the Cooperating Teacher to reflect upon clinical experiences and progress toward meeting TPEs. As part of this meeting, the candidate prepares and e-mails to both the Cooperating Teacher and the Candidate the Clinical Practice Weekly Reflection and Planning form in this syllabus. Meetings between the Cooperating Teacher and the candidate are noted weekly on the Education Specialist Clinical Practice Professional Collaboration Log found in this syllabus.

6. Each candidate is formally observed by the Cooperating Teacher a minimum of **four times**. The University Supervisor and Cooperating Teacher determine with the candidate the content focus of these observations, so that they complement the University Supervisor’s formal lesson observations. A formal observation and follow-up conference may focus on instruction, assessment, IEP-related planning and implementation activities, and any other job-related responsibilities in which TPEs may be observed (e.g., training/supervising of paraeducators). These observations are noted at each visitation on the **Education Specialist Clinical Practice Professional Collaboration Log** found in this syllabus. Please see the Clinical Practice Handbook for more detail as to how these observations must be documented.

7. Each candidate, in conjunction with the Cooperating Teacher and University Supervisor, documents collaborative activities among the Education Specialist Teacher Candidate (TC), Cooperating Teacher (CT) and University Supervisor (US) to guide the TC to the successful completion of the Teacher Performance Expectations (TPE) and Professional Dispositional (PD) performance through observations, coaching meetings, written feedback, relevant activities, interactions, and communications. The **Education Specialist Clinical Practice Weekly Professional Collaboration Log** (found in this syllabus) shall be confidentially maintained (in digital or hard copy format) and accessible to all parties throughout the Clinical Practice (CP). Log entries are completed, reviewed, and signed by the TC and CT weekly and by the US at each visitation. The log is collected by the US at the completion of CP.
8. Each candidate produces an **Individualized Transition Development Plan** that summarizes strengths and areas of need for continued professional growth and that is signed by the candidate, the candidate’s university supervisor, and the Education Specialist credential program coordinator or designee.
Preliminary Education Specialist Clinical Practice Lesson Planning and Delivery Observation Form

Teacher Candidate: ___________________________ Date: ___________________________
School Site: __________________________________ Setting: ___________________________
Supervisor: __________________________________

TPEs Observed:
- Instruction of S w/IEPs - TPE 1
- Monitor during instruction - TPE 2
- Interpret & use assessment - TPE 3
- Making content accessible - TPE 4
- Student engagement - TPE 5
- Develop appropriate teaching - TPE 6
- Differentiation for ELs - TPE 7
- Learning about students - TPE 8
- Instructional planning - TPE 9
- Instructional time - TPE 10
- Social environment - TPE 11
- Prof, legal, ethical obligations-TPE 12
- Reflective teaching & growth - TPE 13

TPE 5, 10 & 11: Rapport and Room Environment: (Check observed, add others as seen)
___Courteous, positive, active learning ___Clearly stated expectations ___Respectful interactions
___Aware and responsive to students needs
Comments:

TPE 1, 4, 8, 9, & 10: Instructional Planning: (Check observed, add others as seen)
___Works as a collaborative team member to plan instruction ___Lessons are based upon Common Core and/or
other standards/frameworks ___Instruction based upon assessed knowledge of student(s)
Comments:

TPE 1, 4, 5, 6, 7 & 10: Lesson Presentation/Implementation of Support: (Check observed, add others as seen)
___Uses universal strategies that are effective with a wide range of students ___Provides individualized
accommodations, modifications, and supports ___Effective use of instructional time
___Instruction/feedback/support is clear and consistent ___Materials are organized and used effectively
Comments:

TPE 1, 6, 9, & 11: Student Motivation and Behavioral Support: (Check observed, add others as seen)
___Implements student's positive behavior support/intervention plan ___Motivates students by connecting to their
interests ___Encourages involvement and excellence ___Provides feedback to student ___Uses reinforcement
and other positive strategies ___Collects and analyses data related to positive behavior support/intervention plan
Comments:
TPE 2 & 3: Assessment and Progress Monitoring: (Check observed, add others as seen)
___ Uses formal and informal assessments appropriately ___ Consideration of appropriateness for diverse population ___ Utilizes formative and summative assessments ___ Collects and analyzes ongoing data
Comments:

TPE 4 & 5: Cognitive Outcome: (Check observed, add others as seen)
___ Encourages and models critical thinking and problem-solving skills ___ Fosters analysis and synthesis
Comments:

TPE 4, 5, 6, 11: Affective Outcome: (Check observed, add others as seen)
___ Encourages collaborative and independent learning ___ Promotes community, self-esteem, and cooperation ___ Provides meaningful and relevant curriculum
Comments:

TPE 1, 7, 8: Effective Outcome: (Check those observed, add others as seen)
___ Respectfully teaches and communicates with students from diverse populations ___ Demonstrates understanding, appreciation, sensitivity for cultural heritage and community values ___ Plans lessons that encourage respect for human diversity
Comments:

TPEs 12 and 13: Professional Behavior: (Check those observed, add others as seen)
___ Effective communication with families, administrators, paraeducators, supervisors and colleagues ___ Respects issues of confidentiality ___ Reflective practitioner ___ Able and willing to accept constructive critical feedback ___ Actively participates in school community ___ Seeks professional development opportunities
Comments:

IEP Team Attendees (List names / positions of each):

- 
- 
- 

---

**Introduction & Agenda Details Observed (as handled by candidate):**

- Introductions of all and description of purpose of meeting described
- Time parameters reviewed
- Procedural Safeguards discussed
- Copy of Agenda provided to all
- Copy of assessment results available for parent(s)
- Reviewed page 1 w/parent(s) /teachers for accurate information
- Used jargon-free language throughout
- Maintained eye contact w all members of IEP team
- Interpreter seated at next to parent(s) to translate as needed

**Observations/Recommendations:**

- 
- 
- 

---

**Meeting Component Delivery Observations (as handled by candidate):**

**Assessment Review**  
- Present levels of performance reviewed and interpreted w/o jargon.
- Assessments described and interpreted for understanding by all
- Questions regarding assessment process encouraged/answered

**Comments/Recommendations:**

- 
- 
- 

---
Observation of Individualized Education Program Meeting (continued)

**Recommendations Developed by Team**
- Description of Supplementary aids and services as needed
- Measurable annual goals established and agreed upon by all present
- Benchmarks and/or progress monitoring methods established
- Student inclusion discussed in areas of general education inclusion, extracurricular activities, non-academic activity recommendations

Comments/Recommendations:

- 
- 
- 

**Service Delivery Model & Placement**
- Assessment accommodations provided/described if needed
- Supplemental Aids/assistive technology described/provided if needed
- Other supplemental services described as needed
- Group decision regarding placement
- Clear descriptions of services provided in specific placement options
- All information in IEP accurately explained
- Checked for parental understanding throughout meeting
- Parent(s) part of IEP Team discussion, not spectator(s)

Comments/Recommendations:

- 
- 
- 

**Next Steps & Closing Signatures**
- Description of timeline for service delivery to begin; where and how managed
- Team Meeting Notes read back to parent(s) prior to obtaining signatures
- Offer of FAPE included and documented in Team Meeting Notes page
- All signatures obtained at close of meeting
- Parent(s) provided copy of IEP documents at close of meeting (not next day)

Comments/Recommendations:

- 
- 
- 

**Overall IEP Team Meeting Administration & Management Observations:**

**Facilitation of meeting**
- Confidence level
- Knowledge of material
- Professional demeanor
- Sensitivity to confidential concerns
- Handled ethical points of concern appropriately
- Placed IEP team members at ease

Comments/Recommendations:

- 
- 
-

Teacher Candidate Clinical Practice Weekly Reflection and Planning

Directions: On Friday of each week of clinical practice, please complete and send this form to your University Supervisor and Cooperating Teacher. Be sure to discuss the content of the reflection with your Cooperating Teacher in your weekly reflection and planning meeting.

Name:______________________ Week _______   Date______________

1. This week the TPEs that I focused on were:

2. An “aha” moment in my teaching this week was:

3. I felt most confident and competent with my skills when:

4. My biggest challenge this week was:

5. The co-teaching approaches my Cooperating Teacher (CT) and I used this week were:

   ___ Supportive  ___ I led   ___CT led
   ___ Parallel   ___I led planning   ___We jointly planned   ___My CT planned
   ___ Complementary  ___I led, my CT complemented   ___My CT led, I complemented
   ___ Team   ___Guided by CT   ___We jointly planned & delivered instruction

Questions I have; help I would like: ______________________________________________

Requested focus of next observation/meeting:

   ___ TPEs (specify):
   ___ Co-teaching planning &/or implementation   ___ Instructional strategies
   ___ Classroom management/support   ___ Differentiation of instruction
   ___ Individualized Accommodations and Modifications
   ___ Supporting/Co-teaching with Paraeducators   ___ Positive Behavior Supports
   ___ Other (specify):________________________________________________________________________
WHAT DOES CO-TEACHING LOOK LIKE? THE FOUR APPROACHES

Co-teaching has many faces. Teachers experienced in teaching in diverse classrooms report using four approaches to co-teaching – supportive, parallel, complementary, and team.

SUPPORTIVE
Supportive co-teaching is when one teacher takes the lead instructional role and the other(s) rotates among the students providing support. The co-teacher(s) taking the supportive role watches and listens as students work together, stepping in to provide one-to-one tutorial assistance when necessary while the other co-teacher continues to direct the lesson. Teachers new to co-teaching or who are short of planning time often begin with this approach.

PARALLEL
Parallel co-teaching is when two or more people work with different groups of students in different sections of the classroom. Co-teachers may rotate among the groups; and, sometimes there may be one group of students that works without a co-teacher for at least part of the time. Teachers new to co-teaching often begin with this approach. Key to parallel co-teaching is that each co-teacher eventually works with every student in the class.

COMPLEMENTARY
Complementary co-teaching is when co-teachers do something to enhance the instruction provided by the other co-teacher(s). For example one co-teacher might paraphrase the other co-teacher’s statements or model note-taking skills on a transparency. Sometimes, one of the complementary co-teaching partners pre-teaches the small group social skill roles required for successful cooperative group learning and then monitors as students practice the roles during the lesson taught by the other co-teacher. As co-teachers gain in confidence and acquire knowledge and skills from one another, complementary co-teaching becomes a preferred approach.

TEAM
Team co-teaching is when two or more people do what the traditional teacher has always done – plan, teach, assess, and assume responsibility for all of the students in the classroom. Team co-teachers share leadership and responsibility in planning. When instruction, they simultaneously deliver lessons and are comfortable alternating taking the lead and being in the support or complementary role. Team co-teachers share lessons in ways that allow students to experience each teacher’s expertise. For example, for a lesson on inventions in science, one co-teacher with interests is history might guide students to examine the impact of inventions on society at the time. The other, whose strengths are with the mechanisms involved, might explain and guide students in learning how the inventions work.

REMEMBER: The test of any successful co-teaching partnership is that the students view each teacher as equally knowledgeable and credible.

EDMX 572 / EDMX 573 EDUCATION SPECIALIST CLINICAL PRACTICE WEEKLY PROFESSIONAL COLLABORATION LOG

This log is designed to document collaborative activities among the Education Specialist Teacher Candidate (TC), Cooperating Teacher (CT) and University Supervisor (US) to guide the TC to successful Teacher Performance Expectation (TPE) and Professional Dispositional (PD) performance through observations, coaching meetings, written feedback, and relevant activities, interactions, and communications. The log shall be confidentially maintained (in digital or hard copy format) and accessible to all parties throughout the Clinical Practice (CP). Log entries are completed, reviewed, and signed by the TC and SP weekly and by the US at each visitation. The log is collected by the US at the completion of CP.

### Teacher Candidate Responsibilities:
- Sign in/out on campus daily.
- By week, note the dates & days of CP (e.g., Nov. 14th – 18th, Days #14-#19 of CP).
- Document activities (e.g., planning for instruction, instruction, formal/informal assessment, IEP involvement, co-teaching, meetings, collaborating with staff, other work duties) guided/directed by the SP.

### Cooperating Teacher Responsibilities:
- Guide the TC’s TPE and PD growth.
- Document collaborative activities (e.g. modeling, formal and informal observations, coaching and feedback meetings) supporting the TC’s progress in planning, instruction, assessment, IEP & family involvement, PD, & TPE achievement.

### University Supervisor Responsibilities:
- Orient CT and SP to log and use.
- Sign in/out each campus visit.
- Review log entries since last visit.
- Document observations, meetings, and other activities with the TC and SP regarding the TC’s PDs & progress toward TPE achievement.

### Week & Days of CP

#### Teacher Candidate Directions:
Briefly list/describe clinical activities as suggested above and TPE foci during this time period.

#### Cooperating Teacher Directions:
CHECK ALL collaboration that occurs during the designated time period. Document weekly reflective and planning meetings and a minimum of 4 formal observations.

#### University Supervisor Directions:
Document initial orientation, a minimum of 4 formal observations, the post-observation conferences, exit meeting, and additional communications by week.

|☐| Informal Observation(s) of: (Activities, TPEs) |
|☐| Formal Observation of: |

**Teacher Candidate Responsibilities:** Sign in/out on campus daily. By week, note the dates & days of CP (e.g., Nov. 14th – 18th, Days #14-#19 of CP). Document activities (e.g., planning for instruction, instruction, formal/informal assessment, IEP involvement, co-teaching, meetings, collaborating with staff, other work duties) guided/directed by the SP.

**Cooperating Teacher Responsibilities:** Guide the TC’s TPE and PD growth. Document collaborative activities (e.g., modeling, formal and informal observations, coaching and feedback meetings) supporting the TC’s progress in planning, instruction, assessment, IEP & family involvement, PD, & TPE achievement.

**University Supervisor Responsibilities:** Orient CT and SP to log and use. Sign in/out each campus visit. Review log entries since last visit. Document observations, meetings, and other activities with the TC and SP regarding the TC’s PDs & progress toward TPE achievement.

### Week & Days of CP

#### Teacher Candidate Directions:
- Briefly list/describe clinical activities as suggested above and TPE foci during this time period.

#### Cooperating Teacher Directions:
- CHECK ALL collaboration that occurs during the designated time period. Document weekly reflective and planning meetings and a minimum of 4 formal observations.

#### University Supervisor Directions:
- Document initial orientation, a minimum of 4 formal observations, the post-observation conferences, exit meeting, and additional communications by week.

### Definition of Terms:
For the purposes of this log, the term, *informal*, means that communication with the TC is primarily verbal and formative in nature. The term, *formal*, means that communication with the TC is in written as well as verbal form and that it also is evaluative (e.g., provides feedback on progress) in nature. Please find formal observation and meeting forms at [http://www.csusm.edu/education/ClinicalPractice/HandbookSPED.html](http://www.csusm.edu/education/ClinicalPractice/HandbookSPED.html)

### Additional Note:
This log is designed to accommodate a 10-week (50-day) period. For the weeks of clinical practice that exceed 10 weeks, please record activities for the additional weeks on a copy of page 2 of this log.
RUBRIC

The following rubric describes the timeframe, conditions, and expected evaluated behaviors and artifacts for each of the 4 performance levels on the CSUSM Mild/Moderate ES TPE Clinical Practice Assessment instrument. It clarifies the performance standard or criteria represented by the Does Not Meet (1), Approaching (2), Meets (3), and Exceptional (4) clinical rating for a TPE element on the 4-point rating scale. The University Supervisor and Cooperating Teacher can independently use this rubric and then confer as to the appropriate rating on a TPE element for a candidate they both are mentoring. A candidate must earn at least a Meets (3) score on each TPE element to get credit for the element in clinical practice.

</table>

Given the timeframe of the clinical practice experience (i.e., 50 days for Mild/Moderate clinical practice and 35 days for Moderate/Severe clinical practice) and the modeling, guided practice, and coaching provided by the Cooperating Teacher and University Supervisor, either or both the University Supervisor and/or Cooperating Teacher's assess via their observations and/or examination of the artifacts (e.g., assessment report, observation report, lesson plans) provided by the candidate for the given TPE element leads to the conclusion that the candidate:

1) has demonstrated, but not yet consistently, the knowledge and/or practice articulated in the TPE element criterion with little frequency and will require extensive modeling, coaching, instruction, and clinical experience to achieve the criterion

1) has consistently demonstrated the knowledge and/or practice articulated in the TPE element criterion and requires and will benefit from further modeling, coaching, and/or clarification to achieve the criterion
| 2) | performance has provided **some**, but not yet sufficient, evidences that are (a) relevant examples, (b) appropriate to the content of the TPE element, and (c) adequate to demonstrate the criterion as stated in the TPE element. |
| 3) | even when provided with prompting and direct questioning, has difficulty identifying ways in which the provided artifact(s) and/or his/her assessment, instruction, decision-making, and collaborative behaviors illustrate performance of the TPE element's criterion. |
| 2) | has provided evidences that are (a) relevant examples, (b) appropriate to the content of the TPE element, and (c) adequate to demonstrate the criterion as stated in the TPE element. |
| 3) | can describe and explain, with **little to no prompting**, ways in which the provided artifact(s) and/or his/her assessment, instruction, decision-making, and collaborative behaviors illustrate performance of the TPE element's criterion. |
| 2) | has provided **multiple** evidences that are (a) **clearly** relevant examples, (b) appropriate to the content of the TPE element, and (c) adequate to demonstrate the criterion as stated in the TPE element. |
| 3) | can independently (without prompting) describe and explain in detail ways in which the provided artifact(s) and/or his/her assessment, instruction, decision-making, and collaborative behaviors illustrate performance of the TPE element's criterion. |
GRADING STANDARDS

Credit/No Credit

1. The candidate’s University Supervisor, in collaboration with the Cooperating Teacher, prepares a Summary Form for EDMX Clinical Practice 572, based on observations and clinical practice experiences. This also includes the Cooperating Teacher’s and may include the teacher candidate’s feedback. The Teacher Performance Expectations are submitted, digitally, to the Cooperating Teacher and University Supervisor by the teacher candidate. The University Supervisor and Cooperating Teacher collaborate and score the completed TPEs. When completed, the TPEs are presented to the teacher candidate at the exit meeting and all participants sign the documents. These documents serve as official verification of successful completion of Clinical Practice and are required for the University to be able to recommend a candidate for a credential at the end of the program.

2. A grade of CREDIT (CR) or NO CREDIT (NC) will be assigned for clinical practice experiences by the University Supervisor. If a credential candidate has not successfully met the Education Specialist Teacher Performance Expectations at an appropriate level, the candidate may be required to extend or repeat the experience.

3. If a candidate is unsuccessful in a clinical practice experience, a grade of NO CREDIT will be given. Granting of an additional opportunity for clinical practice will be made based on the circumstances under which the original NO CREDIT was given.

4. Should a candidate be in the potential situation of receiving NO CREDIT for clinical practice, the University Supervisor and Cooperating Teacher must complete a Statement of Concern (SOC) as soon as possible and provide copies to the Program Coordinator. The documentation in the SOC, the action plan, and the follow up steps to the plan are key documents that are used to verify inadequate performance in clinical practice, if the action plan is not achieved.

5. Should a second clinical practice experience be recommended, the candidate must re-register for the clinical practice course prior to the new placement being made.

Final Exam Statement

EDMX 572 does not include a final examination. Ongoing assessment of the teacher candidate is completed by the University Supervisor.

PROFESSIONAL AND ADMINISTRATIVE REQUIREMENTS

1. “Person-first” language (e.g., “Student with Down Syndrome” rather than “Down Syndrome student”) must be used throughout all written and oral assignments and discussions.

2. Word process all written plans for treatment and assessment. Keep an electronic copy of all of your work. You will want these for your records and for potential future use as professional portfolio entries.

3. Complete and submit all clinical experience documentation on the due dates for full credit. If you have extraordinary circumstances that impact timely submission, inform the university supervisor. Any time that you have questions or concerns, please contact the university supervisor immediately.

4. Professional behavior is expected at all school and community sites with educational and program personnel, students, families, and supervisory personnel.

5. Academic Honesty Policy and Plagiarism. Students are expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All assignments must be original work, clear and error-free. All ideas/material that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated accordingly. The instructor reserves the right to discipline any student for academic dishonesty, in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of a grade, a failing grade for the assignment or the class as a whole, or dismissal from the program or university.
Conditions for Removal from School Site
A candidate will be removed from the school site and a Statement of Concern documenting the situation will be written immediately if a candidate:
1. endangers students or others;
2. violates recognized codes of conduct, e.g. CSUSM Student Code of Conduct, CSUSM Academic Honesty Policy, NEA Code of Ethics, CA Education Code Section 44932; and/or
3. is dismissed from the classroom or school site by the cooperating professional or site or district administrator.

GENERAL CONSIDERATIONS

Authorization to Teach English Learners
This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Candidates successfully completing this program receive a credential with authorization to teach English learners. (Approved by CCTC in SB 2042 Program Standards, August 02)

School of Education Attendance Policy – Clinical Practice
All teacher candidates are expected to be present at their assigned school site as scheduled by program requirements and the specific school site calendar and teaching contract. Should the teacher candidate have extenuating circumstances, s/he should contact the University Supervisor and Program Coordinator as soon as possible.

CSUSM Academic Honesty Policy
Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All assignments must be original work, clear and error-free. All ideas/material that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated accordingly.

Academic Honesty and Integrity: Students are responsible for honest completion and representation of their work. Your course catalog details the ethical standards and penalties for infractions. There will be zero tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor’s attention. The instructor reserves the right to discipline any student for academic dishonesty, in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

Refer to the full Academic Honesty Policy at:
http://www.csusm.edu/policies/active/documents/Academic_Honesty_Policy.html

Plagiarism
As an educator, it is expected that each candidate (course participant) will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website http://library.csusm.edu/plagiarism/index.html. If there are questions about academic honesty, please consult the University catalog.

Students with Disabilities Requiring Reasonable Accommodations
Students with disabilities who require reasonable accommodations must seek approval for services by providing appropriate and recent documentation to the Office of Disability Support Services (DSS). This office is in Craven Hall 4300, contact by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours. Alternatively, in order to ensure confidentiality, in a more private setting.
**All University Writing Requirement**

This course ensures that the university's minimum 2,500-word per course writing requirement is met through the course assignments, comprehensive assessment report, reflections, and postings for Education Specialist standard.

**Course Format**

Clinical Practice is conducted in a Field-based environment. Teacher Candidates must be present in a Clinical Practice setting five days a week, full contract hours. This exceed requirements for 7 units.

**Necessary Technical Competency Required of Students**

This course requires Teacher Candidates to submit assignments electronically using Taskstream.

**Contact Information for Technical Support Assistance**

Customer support for TaskStream is available online, as well as the CSUSM Help Desk.

**Electronic Communication Protocol**

Electronic correspondence is a part of your professional interactions. If you need to contact the instructor, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own nuances and etiquette. For instance, electronic messages sent in all upper case (or lower case) letters, major typos, or slang, often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send to your colleagues, to faculty members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.
