TPA: the program uses TPA results to determine the pedagogical competence of candidates for recommendation for initial teaching credentials in California and to review individual and aggregate candidate outcomes for commission reporting, accreditation purposes and to help improve the program. Other than those uses your TPA work and results are private, however you may elect to share the information with a Commission approved induction program provider to aide in the planning of a beginning teacher induction plan to clear the credential. The TPA information is available to you on Taskstream in the form of TPA submittals, actual scores and assessor's comments. Further information about the purpose of the TPA is available on the Commission website:
