Health and Human Services Degrees

BACHELOR OF SCIENCE IN NURSING – ACCELERATED

This program is designed for students who hold a degree in a discipline outside of nursing and have not completed any LVN or RN coursework; many students complete this program as a second bachelor's degree. The graduation rate is nearly 100% and our NCLEX pass rate is 97.39%.

BACHELOR OF SCIENCE IN KINESIOLOGY, HEALTH SCIENCE OPTION

This degree meets the demand for education in the fields of fitness training and rehabilitation. The BSK prepares students for careers in public health, health/fitness education and promotion, wellness coaching, health research, and community health advocacy and programming.

Business Administration Degree

Our Bachelor Science in Business Administration (BSBA) degree is now offered at the new Temecula Higher Education Center (T.H.E. Center). This program features a collaborative cohort-based model where full-time students can complete the program in five semesters. Unique to CSUSM is the Senior Experience program, an applied learning exercise that gives students real-world business background.

CSUSM 2+2 Program

The CSUSM 2+2 Program is a Transfer Admission Guarantee program for Mt. San Jacinto College students pursuing a business degree. Students earn an Associate's degree from MSJC followed by two years at CSUSM earning the Bachelor of Science in Business Administration. The tuition rate is locked in for all four years, with guaranteed degree completion in four years if all program requirements are met successfully.
