

How to Use Duo Push with Mobile Device

Once you login using your campus credentials, choose your desired authentication method (Duo Push is recommended).

To avoid being prompted for Duo multiple times a day, check the box “**Remember me for 24 hours**”

Choose an authentication method

Duo Push RECOMMENDED [Send Me a Push](#)

Call Me [Call Me](#)

Passcode [Enter a Passcode](#)

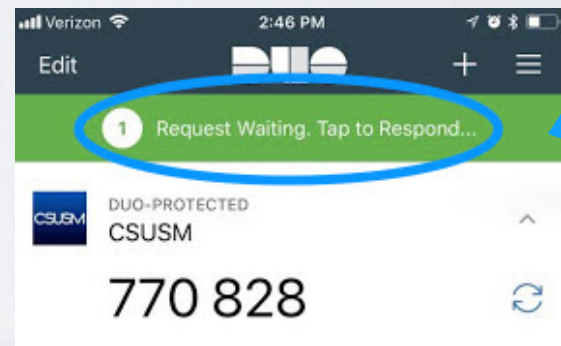

Remember me for 24 hours

Powered by Duo Security

Open the Duo Mobile app

If you chose [Send me a Push](#), click on the green bar that says “Request Waiting. Tap to Respond...”

If you chose [Enter a Passcode](#), input the 6 digit number in your Duo app.

Click “[Approve](#)”.
You will now be
logged in.
